Educational History

D Acres Application for Apprenticeship – Internship – Residency

Page 2 of 4

Work history for at least prior 3 years:

May we contact your former employers?

Please share any prior study or work experience you feel will enhance your ability to function within this community.

Describe your prior farming experience.

Please describe any prior experience with community organizations and community living. D Acres can be described as an immersion experience, how would you describe your perceived reaction to the responsibilities involved in living in this type of community.

Please list three things you want people to know about living with you:

What do you perceive will be your reaction to living and learning with a constant flow of new and unknown people in a rural area (20 minutes to the nearest town - Plymouth, NH)?

Everyone living at D Acres of NH is required to contribute to the functioning of the community through the communal contract (as stated in the organizational manual). This includes cooking, cleaning and community meetings. What is your experience with these kinds of shared tasks, and do you have any concerns about the weekly responsibilities of the communal contract?

You will be in an environment where living in close community can present both interpersonal and personal challenges. What experiences have you had to prepare you for this kind of work?

D Acres provides an opportunity to build new skills for the future, how do you plan to share the new skills you learn with the wider community/your community?

Do you have personal transportation?

Do you have special dietary needs? Please explain:
